14.	8 June	CPCCCM2005A	Use Construction Tools and Equipment Students will learn how to maintain and use tools and equipment commonly used in the construction industry Student Choice Project	8.00am – 2.30pm
15.	15 June	CPCCCM2005A	Use Construction Tools and Equipment Students will learn how to maintain and use tools and equipment commonly used in the construction industry Student Choice Project	8.00am – 2.30pm
16.	22 June	CPCCCM2001A	Read and interpret plans and specifications Students will receive training to gain a basic understanding of construction plans	8.00am – 2.30pm
17.	29 June	CPCCCM2001A	Read and interpret plans and specifications Students will receive training to gain a basic understanding of construction plans	8.00am – 2.30pm
School Holidays – Structured Work Placement to commence				

Certificate I in Construction

TERM 3

18.	20 July	CPCCCM1011A	Undertake basic estimation and costing Students will apply skills and knowledge on a construction related project	8.00am – 2.30pm
19.	27 July	CPCCVE1011A CPCCCM1011A CPCCCM2005A CPCCCM2004A	Undertake a basic construction project Students will apply skills and knowledge on a construction related project	8.00am – 2.30pm
20.	3 August	CPCCVE1001A CPCCCM1011A CPCCCM2005A CPCCCM2004A	Undertake a basic construction project Students will apply skills and knowledge on a construction related project	8.00am – 2.30pm
21.	10 August	CPCCVE1001A CPCCCM1011A CPCCCM2005A CPCCCM2004A	Undertake a basic construction project Students will apply skills and knowledge on a construction related project	8.00am – 2.30pm
22.	17 August	CPCCVE1001A CPCCCM1011A CPCCCM2005A CPCCCM2004A	Undertake a basic construction project Students will apply skills and knowledge on a construction related project	8.00am – 2.30pm
23.	24 August	CPCCVE1001A CPCCCM1011A CPCCCM2005A CPCCCM2004A	Undertake a basic construction project Students will apply skills and knowledge on a construction related project	8.00am – 2.30pm
24.	31 August	CPCCVE1001A CPCCCM1011A CPCCCM2005A CPCCCM2004A	Undertake a basic construction project Students will apply skills and knowledge on a construction related project	8.00am – 2.30pm
INAP Graduation – 29 November – Prince Alfred College				

REQUIREMENTS: Safety Glasses & Safety Boots

Interim clothing requirements: Close fitting clothing - no singlets or tank tops

Students must complete **20 days minimum of structured work placement**

Please ensure you engage employers at the start of your course to work out dates with the employer/s for you to complete 20 days of work placement.

Prior to commencing your Work Placement you need to ensure you have the relevant Workplace Learning Agreement form signed by your school. See your school VET Coordinator for the form and process.

Your work placement log book needs to be shown regularly to your trainer throughout your course.

The **INAP GRADUATION** is a compulsory component of undertaking your VET Course with INAP Training and Development Provider. Students are expected to attend to receive their certificate.

Date: November 2011 from 7pm to 8.30pm

Venue: Prince Alfred College, Kent Town

Your formal invitation and the date of the graduation will be given to you by your trainer towards the end of your VET course.
