

Training and Development Provider

INAP Graphic Design

Dear student/parent,

As Marden enrolment forms need to be completed by students (or parents for students under 18 years of age) we would like students to come with a parent on Wed 8th Feb to complete this process. Staff will be available from 4.15 to 6.15pm. The process should not take more than 15 to 20 minutes. Classes will start on Wed 15th Feb

If this time is inconvenient the enrolment forms could be completed during weekdays. The student would not need to attend if this option was selected. It would also be possible to send forms to parents.

If you cannot attend on Wed 8th can you please contact me to discuss alternate arrangements.

Yours faithfully
Bernadetta Chaustowski
