

COURSE CODE: CUF10107
LIVE SOUND & LIGHTING
(CERTIFICATE I IN CREATIVE INDUSTRIES)

Available to: Years 10, 11 and 12
Length: Full year (32 Weeks)
Accreditation: 20 SACE Credits
 Stage 1

This course aims to introduce students to the principals and equipment behind sound engineering and stage lighting for live modern music.

Students will be looking at the common equipment used in a sound system and lighting rig using both theory and practical work.

Participants will be taken from the absolute basics to where they can specify, construct and operate a small sound and lighting system.

This course is ideal for students wishing to gain an introduction to live sound and lighting in a music industry based environment.

The course focus is on sound and lighting in a musical setting. As such students do not need to be musicians themselves, but have an interest in music technology as a career.

Aspects to consider:

- Students gain SACE credits and National Accreditation
- Genuine interest in developing skills in the Live Music Industry
- Students must be prepared to complete their study once a week **after school hour instruction lesson** from **4pm to 6.45pm** conducted off campus
- An interest in contemporary music and music technology is desirable
- Students develop independent learning skills
- Cost (see your VET Coordinator)

Content:

➤ CUFIND201A	Develop and apply creative arts industry knowledge	20 hours
➤ ICAU1128B	Operate a personal computer	30 hours
➤ BSBOHS201A	Participate in OHS processes	20 hours
➤ CUESOU07B	Apply a general knowledge of audio to work activities	40 hours
➤ CUESTA05B	Apply a general knowledge of staging to work activities	20 hours
➤ CUFLGT101A	Apply a general knowledge of lighting to work activities	20 hours

Assessment:

Competency based activities and practical assessments

Qualifications gained:

Certificate I in Creative Industries CUF10107

Course pathway:

Cert II in Creative Industries

Cert III in Media

Cert IV in Interactive Digital Media

Cert III in Technical Production

Cert IV and Diploma in Technical Production (TAFE, SAE)

Career pathways: Sound Technician, Lighting Technician, Live Sound Mixer
