

## Certificate II in Make-up Services

This certificate has been designed as a standard entry level qualification for the Beauty industry. It applies to those wishing to develop the skills and knowledge to begin a career in the Beauty industry. Likely functions within the Beauty industry for those who achieve this level of qualification include working within clearly defined contexts and under supervision. It involves communicating in the workplace, performing routine salon/store functions, demonstrating skin care products and designing and applying make-up in general and specialist situations.

## Pathways

Links and options exist between various levels of study. Accredited pathways exist, enabling students to move between courses within education institutions.
