Students undertaking Vocational Education and Training (VET) courses must be aware of the extra responsibilities that come with participation in these courses. Students need to meet conditions that are, in many ways, equivalent to those of employers.

- **No refund will be issued after Wednesday 2 February 2011**
- **Please note that any refund due will be paid after the 2nd of February 2011**

- INAP member school students have priority over non-member school students until **Friday 5 November 2010**.
- A full refund or the option to be placed on the Semester 2, 2011 list will be offered if there are not enough students to run a class. If a student elects to be placed on the Semester 2, 2011 list, the Semester 2, 2011 withdrawal policy will apply. However, you will not be required to pay an additional course costs should the fees increase.
- If there are more enrolments than places available, students will be placed on a waitlist and every endeavour will be made to create an additional class if there are enough students.
- All students are required to wear school uniform unless otherwise stipulated by the training organisation.
- Students must attend all sessions. If absent, it is the student's responsibility to inform both their school and the deliverer of their VET course. **VET lessons must take priority over sporting and social activities.**
- **Missing three sessions may result in withdrawal from the course (NO REFUND WILL BE GIVEN).**
- Students must cooperate fully with teachers/lecturers delivering VET programs.
- Students must meet deadlines for work set in the VET Course.
- Students must undertake Structured Workplace Learning if prescribed by their VET course. In many cases the work placement will occur in the school holidays.
- Off-site delivery of excursions may be required in some courses.
- Students participating in VET delivery or Structured Workplace Learning are representing their school to the wider community and must present themselves in a manner that reflects well upon their school.
- Students, whilst in the workplace, must observe Occupational Health & Safety guidelines, and follow all reasonable instructions given by the proprietor.
- Students undertaking Structured Workplace Learning must complete the relevant paperwork, ensuring a completed form is given to the school and the workplace one week prior to the first day of placement.
- The **Graduation Ceremony** will be held on **Wednesday 22 June 2011** (TBC) at **Prince Alfred College**. **This is a compulsory component of your VET course** and ALL students are required to attend the Graduation to collect their certificate. (invitation to follow)
- Dismissal from the course because of poor attitude, performance or behaviour will result after one official warning has been ignored.

I, \_\_\_\_\_ (**student's name**) have read and understood the above conditions for undertaking Vocational Education & Training in 2011. I understand that failure to meet these conditions will result in an official warning being communicated to my parents/guardian, followed by removal from the course.
