

Student Feedback Questionnaire

Semester

(To be completed at conclusion of course)

In order to achieve continuous improvement in the delivery of this VET Program it is important for us to gain feedback from the participants. Therefore, we ask for your response to the following questions:

Name: _____
(Optional)

School: _____

Name of Course: _____ Day attended: _____

Semester: _____ Year: _____

1. What was the most beneficial part of the program for you?

2. What was the least beneficial part of the program for you?

3. What are some of the key points of information that you have learned and how do you feel they will benefit you in the future?

4. Was the trainer competent in the delivery of information? Yes/No

If no, in what areas could this have been improved? _____

5. If applicable: how would you summarise your work experience such as, was it educational, interactive and did you receive the support and involvement of the employer?

PLEASE NOTE: Although this will not count as part of your overall assessment, it is considered a mandatory part of the program.
